---

**What safety measures have you put in place?**

TCC has continually monitored the situation of Covid-19 and taken strict hygiene measures to ensure the safety of employees, staff, and visitors. These measures comply with the authorities requirements such as the wearing of face masks and the temperature check at the entrance. Our venue is also entirely cleaned before and after each event.

---

**Do you offer Live Streaming and Broadcasting facilities?**

Our venue is fully equipped with Projectors and Wi-Fi connections to welcome your Virtual event. We also work with partners if you wish to Live Stream your event online.
